Note 1 - Adam Miah missed the start and ran 1 lap in the 2 mile race, timed at 9:01. I have included him in the results in the appropriate place subject to any objections

Note 2 - Esme Garbutt is not recorded at the finish but I believe she completed the race somewhere between 36th and 50th place. I have included her at 50th but if anyone can provide more information, please email me
